Neither ARTBnk, Inc., nor its affiliates or subsidiaries, or any of its or their directors, employees, agents, consultants, attorneys, or third party providers (collectively "ARTDAI", "us", "our", "we", "the Company"), make any representations to you or any other persons regarding title, provenance, authenticity, condition or accuracy of information with respect to any artwork.

ARTDAI reports, data analyses, visualizations, dashboards, and other content (collectively, the "Reports", and each a "Report") are subject to the conditions stated below. These terms are an integral part of this Report. By accepting the subscription terms you expressly agree that use of this Report is at your sole risk and is provided on an 'as is' basis, without warranties of any kind, either express or implied.

A Report produced by our services is not a promise of accuracy. While ARTDAI tries to ensure that information contained in this Report is correctly calculated, its data is based on information reported from users, collectors, art galleries, auction sites, and other websites, which ARTDAI does not independently test or verify. Therefore, ARTDAI is not responsible for misstated or withheld information or for any possible errors, omissions or inaccuracies, nor should it be liable for any loss or damage arising directly or indirectly from the use of this Report.

ARTDAI valuations are intended to reflect the value at the time of the analysis and are not predictive of past or future value or appraisals that might be generated by other means.
